

CAN YOU FIND 30 BOOKS OF THE BIBLE HIDDEN IN THIS PASSAGE

This is a most remarkable puzzle. It was found by a gentleman in an airplane seat pocket, on a flight from Los Angeles to Honolulu, keeping him occupied for hours. He enjoyed it so much that he passed it on to some friends. One friend from Illinois worked on this while fishing from his johnboat. Another friend studied it while playing his banjo. Elaine Taylor, a columnist friend was so intrigued by it, she mentioned it in her weekly newspaper column.

Another friend judges the job of solving this puzzle so involving that she brews a cup of tea to help her nerves. There will be some names there that are really easy to spot. That's a fact. Some people, however, will soon find themselves in a jam, especially since the books are not necessarily capitalised. Truthfully from answers we get, we are forced to admit it usually takes a minister or scholar to see some of them at the worst. Research has shown that something in our genes is responsible for the difficulty we have in seeing the books in these paragraphs. During a recent fundraising event which features this puzzle, the Alpha Delta Phi Lemonade booth set a new sales record.

The local paper, the Chronicle surveyed over 50 patrons who reported that this puzzle was one of the most difficult they had ever seen. As Daniel Humana humbly puts it, "the books are all right here in plain view, hidden from sight". Those able to find all of them will hear great lamentations from those who have to be shown. One revelation that may help is that books Timothy and Samuel appear without their numbers. Also keep in mind that punctuation and spaces in the middle are normal. A chipper attitude will help you compete really well against those who claim to know the answers. Remember there is no need for a mass exodus, there are really 30 books of the Bible lurking somewhere in these paragraphs waiting to be found.
