Greetings friends, today I merely offer you this to tax your brains, kindly (I think!) sent by Howard. This should keep us going for a bit.  
Tom

Fr Tom, I have attached a quiz that members of the congregation might like to get their heads round while we're still socially distancing and should be grateful if you would circulate it. It's quite a toughy, and each of the 26 questions starts with a different letter of the alphabet. I reckon the answers to question 1 is 'Kings', which thus uses up the letter 'K'.

Kind regards  
Howard
